Dear Kym,

RE: Devonport Surf Lifesaving Club – Proposed Tuck Shop

Thank you for taking the time to meet with our club representatives recently to discuss the possibility of the club running a small tuck shop / canteen. Peter Higgins has forwarded your email requesting additional details to me. I hope the following may be of assistance:

Months of operation: Patrol Season – 1st of December through to 31st of March with the possibility of the Easter weekend depending on dates / weather / perceived need.

Days and Times: Saturday, Sunday and public holidays during patrol hours (either 10am-3pm or 12pm-5pm).

Proposed Products: Ice-creams / icy poles on a stick, cans of soft drink, flavoured crisps (Samboy's etc), chocolate bars and lollies.

As evidenced from the above details, our intent is to provide a competitively priced snack option for families attending the beach during the summer months. We have received numerous requests from the public for this style of snack option, particularly on public holidays when family friendly options are not available at all in the Bluff precinct.

The DSLSC committee welcomes any further questions you may have and looks forward to continuing to provide a quality service to the Devonport community.

Kind regards,

Heather Parker
