Expression of Interest - Sports Infrastructure Master Plan Working Group

The Sports Infrastructure Master Plan Working Group is being established to assist Council to develop a Master Plan that provides clear direction for the development of Council-owned sport and recreation infrastructure over the next 15 years. The Working Group's main role is to provide advice to Council on the process for developing the plan. Council is seeking representatives with a high-level knowledge and/or experience in sport and recreation planning or development. Please refer to the Working Group Terms of Reference for further details.
