Devonport City Council

Recreational Camping
in Devonport City

DEVONPORT.
You're Welcome!

The City with Spirit

The City with Spirit

Devonport welcomes visitors and campers to enjoy the scenery and delights of Devonport City and surrounding areas of the North West Coast.

There are numerous well appointed camping facilities that will welcome tourists and campers to the region. These are listed in the brochure.

There is however a by-law that is designed to protect the City's reserves, parks and gardens from damage and environmental harm.

The by-law defines "camping and includes tents, camper trailers, portable shelters, caravans, camper vans, mobile homes or similar vehicles". It also includes sleeping in the open or in a vehicle.

Camping is not permitted in any reserves, parks & gardens

The City with Spirit

No form of "camping" is permitted in any of Devonport's reserves, parks and gardens (including car parks) between the hours of 10pm and 6am. Infringements of 5 penalty units maybe imposed for a breach of the by-law. Council does allow permits for limited camping for "fully self-contained" motor homes and caravans at Girdlestone Park, East Devonport and Horsehead Creek, Quoiba.

Permits can be obtained from the EasyPark app.

How to use the EasyPark app:

1. Download the EasyPark mobile app
2. Register your details and payment method
3. Enter your parking area code (bay number)
4. Pay the \$10 nightly camping fee

Alternatively Permits can be obtained through the Devonport Visitor Information Centre on Rooke Street (as per map). The Visitor Information Centre is open on weekdays between 9am – 5pm, Saturdays 9am – 2pm.

The City with Spirit

For late arrivals Permits can be obtained by using the EasyPark app or alternatively arranged by phone. Phone (03) 6420 2900.
