VOLUNTEER CONDITIONS

As a volunteer the following conditions apply

- Volunteers over 15 years of age on the date of application.
- No payment will be made to you by Council.
- Must be willing to provide (less than one year old) or obtain a current National Police Check (Council will cover the cost).
- Some volunteer roles will require a Working with Children Registration. Council will reimburse the cost upon providing a copy of your completed WWCR if yours is not current.
- Some volunteering roles require health assessments to ensure a volunteer is fit to perform the inherent requirements of the role.
- Only while you are assisting Council in your volunteer role, and while your assistance is approved and/or known by Council, you may be covered for Public Liability Insurance.
- While acting as a volunteer, limited personal accident insurance cover is provided by Council subject to the terms and conditions of the policy.
- Should any incident (resulting in injury or damage to property or any other parties) or near miss occur to you while you are acting as a volunteer of Council, you must notify your Supervisor immediately, or as soon as practicable.
- Council's Motor Vehicle Insurance Policy will not cover costs incurred by volunteers driving private vehicles.
- Completion of this form is an expression of interest only and does not infer in any way the offer of a volunteer role with Council.
- Council's Personal Accident Insurance Policy covers volunteers up to 90 years of age, therefore any voluntary work that may be undertaken by volunteers over 90 years of age would not be covered by this Insurance. We do not want to discourage people over 90 years of age from volunteering, and we encourage them to actively continue volunteering and appreciate their contribution and commitment.

I confirm that I have read and understand the above-mentioned conditions
