

PARTNERSHIP AGREEMENT BETWEEN THE TASMANIAN ARBORETUM INC AND DEVONPORT CITY COUNCIL

1.0 PURPOSE

This Agreement establishes a set of principles and obligations in relation to funding arrangements and activities between the Devonport City Council (the Council) and the Tasmanian Arboretum Inc (the Arboretum) to assist with the ongoing sustainability of the Tasmanian Arboretum.

2.0 TIMEFRAME

This Agreement is for a period of two (2) years from the date of signing and is to be reviewed every twelve (12) months.

3.0 THE PARTIES

3.1 Tasmanian Arboretum Inc

Owns and operates a 66ha botanical tree park at Eugenana. The Collections contain over 5,000 woody plants representing over 1,000 species that tolerate the climatic and edaphic factors pertaining.

Trees and shrubs are planted in groups according to their geographical origins representing the temperate areas of the world in biogeographical Collections of woody plants.

The artificial lake allows visitors to enjoy swans, other birdlife and platypus. There are several limestone outcrops and related industrial heritage gathered into an interpretive walk, and remnant lowland vegetation.

Melrose Creek and the Don River flow through the undulating property and there is an artificial lake as a central feature.

There is some interpretative signage and labelling for general education. The park provides a living tree reference in addition to a peaceful countryside setting, which delights visitors.

Infrastructure and equipment includes a propagation nursery and office used by volunteer workers, a volunteer run kiosk and a service area for storing the grounds maintenance machinery.

Weather related events permitting, the Park is open daily to visitors from 9AM to sunset.
