DEVONPORT CITY COUNCIL

AUTUMN SEASONAL GUIDE

ISSUE UPDATED 19 MARCH 2020

# Mayor's Message

*The weather might be cooling down but the number of events happening in and around the city are certainly heating up during autumn.*

*Following on from the success of last year's week-long celebrations as part of International Women's Day, Council has once again sought to work with a number of organisations to provide a broad range of events from 5 March which aim to celebrate and inspire women.*

*One of the highlights will be the unveiling of the city's 2020 Diamonds of Devonport, which will be held in the paranapple convention centre on Thursday, 12 March at 6 p.m.*

*A panel of local women will share their journeys and insights on how to succeed in all aspects of life at a free 'Each for Equal' event on Tuesday, 10 March at 6 p.m. in the paranapple convention centre.*

*Melinda Schneider's A Farewell to Doris, motorcycle legend "Biketruck" Billy Ward's Iraq adventure and musical parody 50 Shades will be performed in the Town Hall Theatre while Harmony Day activities will also take place in Market Square.*

*This guide also outlines a range of other events and happenings during Autumn*

*I encourage you all to take the opportunity to make the most of the season before the winter chills are upon us.*

*Councillor Annette Rockliff,  
Mayor of Devonport*

## Beyond Sight - Katrin Terton

Little Gallery

# BEYOND SIGHT

a sensory art exhibition

*A multi-sensory exhibition in which visitors can explore the artworks through touch, sound, smell, sight and imagination. Katrin Terton's evocative, interactive and immersive experience contemplates inclusion of the broadest audience by making her works meaningfully accessible to people of all ages and abilities with particular regard to people with low or no vision. The exhibition challenges the prevailing paradigm of inclusion by revealing that the experience of those with impairments is both valid and rich, then including other members of the audience in that appreciation. This not only levels the playing field for participation, it also reminds the whole audience of the benefit of using all of their available senses to understand their world.*

## Cats & Dogs: ALL AT SEA

*Image: Australian National Maritime Museum*

*Cats, dogs, monkeys and birds have been cherished on board ships for as long as people have made sea voyages. Photographer Samuel Hood boarded hundreds of ships between 1900s and 1950s that were moored in Sydney Harbour. He took thousands of photographs of crew members, from deckhands to the captain as a souvenir of their visit or to send home to families and loved ones. Cats & Dogs: ALL AT SEA is an exhibition from the Australian National Maritime Museum, but, as always, we will be adding local stories and objects into this exhibition.*

Margaret is a qualified Gemologist and Jewellery Valuer and has been a business woman since 1978 after she returned from living overseas for 8 years. Margaret is currently the secretary of the National Council of Jewelry Valuers in Tasmania and a representative on the Federal Board. She is also a member of Soroptimist International of Devonport for 40 years during which time she held positions of President and Secretary. Jan grew up in Wilmot and has worked in administrative roles for the Department of Education for the past 25 years. Jan is passionate about equity for all learners across the state, regardless of their location and circumstances. She is committed to building the capability of women in the school administration workforce and working to provide flexible employment options, particularly for young mothers returning to work. For over 30+ years Jan could be seen running back and forth across the hockey field as a player, coach and mentor and played a key role with a fellow hockey guru establishing a junior development team. As a mother of four children and five grandchildren, Jan is enthusiastic about creating and supporting opportunities for all women to Dream Big.

Claire served her cooking apprenticeship on Sydney's Northern Beaches, working across a number of waterfront cafes and restaurants. Her warm and engaging personality was a natural bridge to the Front of House, and before the birth of her first daughter in 2011, Claire spent further time in hospitality management in Perth and Broome, WA. Three more beautiful babies joined the family over the next decade. Following a move south to Devonport in 2016, Claire is back cooking full time running Pearl Oyster Bar & Cafe, whilst overseeing the cafe opening of Pearl's production kitchen, Pinctada at Providore Place. Also studying early education part time, Claire loves spending time with her four girls, already teaching them the trade secrets.

Since moving to Tasmania from Adelaide, Tara Felts has been busy making a name for herself as an artist with a passion for creativity, her designs can be found on the people and buildings of Devonport. Tara has spent many years studying both visual arts and design. She now works as a tattoo artist at Jim's Gun FX Tattoo Studio. Tara is also known for community involvement, volunteering as a driver for Gran's Van, and as a firefighter for Tasmania Fire Service.
