

DEVONPORT.

*Spring 2019
Activities Guide*

Mayor's Message

Council is pleased to once again present our seasonal community events and activity guide for Spring.

The focus of this Spring Guide is on getting out and about following the cooler winter months. Spring represents the blossoming of flowers, longer and warmer days and a time of transition, when we are encouraged to increase our activity levels, recommit to our fitness and learn something new.

This September we'll be hosting the fourth Festival of Learning, an annual event which aims to celebrate lifelong learning and engage with everyone about the learning opportunities available in Devonport.

Learning can happen anywhere, anytime and as a community we believe that it is the key to unlocking our future opportunities.

October will see the Devonport Food and Wine Festival and a host of events planned for Seniors' Week, to recognise their important contribution to our community.

There is also the Aussie Backyard Bird Count, Bookend Trust BioBlitz and an exciting range of school holiday activities including fishing, and the making of Possum Magic costumes and the Possum Magic show.

So, there is no excuse not to get out and about in our beautiful environs with much to see and do.

We would also love to receive your feedback on the program - to help us make our Summer Guide even bigger and better, so feel free to drop in to Council's offices or send us an email at council@devonport.tas.gov.au and let us know your thoughts.

Councillor Annette Rockliff,
Mayor of Devonport
